GIFT FROM STUDENTS HELPS BLIND GIRL 'SEE'

Students of Altona North Technical School look on with pleasure as 8-year-old Dawn Weston, Salty Street, South Kingsville, is presented with a Braille typewriter by Colin Holloway. The typewriter is the result of the school's weekly contributions to the social service scheme.

BENEFIT DANCE FOR WIDOW

On Friday, March 15, a special social and dance will be held in the Central Hotel, Millers Road, at 8 p.m. The proceeds from this effort will be allocated to a fund for the widow and family of the late Noel Taylor (late secretary of the Altona branch of the Amalgamated Engineering Union).

This function has been organised jointly by the three local organisations of which Noel Taylor was a member; The Amalgamated Engineering Union, the Australian Labor Party; and the Working Men's Club.

Donation tickets of 5/- cover charge and have been in circulation through the three organisations mentioned. Over 200 have already been sold. Should you desire a ticket to support this worthy effort please contact the secretaries of the organisations;

A.E.U.: A. W. Lamb, 107 Queen Street, Altona;
A.L.P.: W. Lee, 186 Clive Parade, Altona; or
A.W.M.C.: W. Spence, 13 Upton Street, Altona.

The organisers of this function have already received many donations and offers of assistance and take this opportunity to kindly thank the donors for same.

Altona Branch A.E.U., £10; Williamstown Branch A.E.U., £5; Altona Working Men's Club from Special Effort at a dance in St. Mary's Hall on March 2, £18/14/-; and many individual members of the A.E.U. and the Federated Ironworkers' Union have made donations of 10/- and £1.

Dancing at the Central Hotel for the evening will be to Noel Farrar's popular dance band, who are giving their services free for this effort.

A number of artists have also volunteered their services for the evening and the sponsors assure you an enjoyable evening whilst supporting a worthwhile cause.

COUNTRY WOMEN'S ASSOCIATION

The bus will leave Millers Road at 9.30 a.m. for the members picnic to Eastern Beach, Geelong on March 13.

ALTONA ELDERLY CITIZENS' NEWS

The quarterly meeting will be held at the clubrooms on Wednesday, March 12, at 2 p.m. Will all financial members please attend.

APPLICATIONS REFUSED

Two applications submitted to council have not been granted, they do not comply with uniform building regulations.

One was submitted on behalf of Mr. M. Goljack for the treatment of Lot 78 in Acacia Avenue, Altona, as an irregular block to allow him to erect flats thereon. This block has an area of 6,070 square feet but the minimum site requirement is 6,500 square feet. The 75% margin which may be applied to irregular blocks effects only frontage and depth, but not the area.

The application by Mr. W. Osborne to subdivide Lot 39 on the corner of Blyth and Rose Streets, was also refused.

Tragedy at North Altona

Three men lost their lives in a tragic accident at North Altona last Thursday afternoon.

They were—

Albert James Wallace, 40, postman, of Queen Street, Altona;

Graham Weslie Dunn, 22, postman of Geelong Road, Brooklyn; and

Kenneth Anchor, 34, labourer, of Grieve Highway, Altona.

While cycling along Millers Road at about 4.30 p.m., they were killed instantly by a run-away earth moving machine. Mr. Wallace was a married man, the other two men were single.

Loss of Popular Citizen

Mr. Albert Wallace, who was killed at the accident in Millers Road last Thursday, had been a resident of Altona for about three years. Prior to that, he and his family had farmed at Wallen.

In his relatively short time in this community he had made many friends. His assistance in aiding other people certainly went far beyond the line of duty.

Even on the day of his death, prior to starting work, he placed in position a letter-box he had made for Mrs. E. Pitt.

While a public appeal is not being made, spontaneous contributions, mainly on his round, amounted to £45.

We extend our sympathy to Mrs. Wallace and her son Gary and daughter Cheryl, and also to Mr. Wallace's parents who resided with him.

Pictured above is Mrs. Suzy Pitt, for whom Mr. Wallace made the letter box. The girl on the horse is Miss Elaine Hyde, of McBain St., Altona.

Council Policy on Service Stations

The future policy of the Shire Council should be to not agree to any more petrol filling stations being erected in Millers Road, said Cr. H. W. Lee at the last council meeting.

Cr. Lee said in his opinion saturation point has been reached and to allow any more service stations along this road would only bring hardship to the existing garage owners.

"You like to be sympathetic," said Cr. Lee, "but you must consider the owners already in business there."

Come to look at it we will have more than enough said Cr. McIntosh, and as we pleaded for more schools in this residential area, on condition that the land remain residential, we should adhere to our word.

Council agreed to the proposal and no more service stations are to be allowed in Millers Road.

EXPLOSIVES CARELESSLY STORED

Mr. Tadeusz Lukoszek, Blyth Street, Altona, was found guilty by Mr. P. J. O'Connor, S.M., at Williamstown Court yesterday for not taking all due care in the storage of explosives to prevent any accident by fire or explosion.

Detective Davis said that whilst searching the defendant's premises on December 19, 1962, he found a box containing explosives underneath a bench in the garage. The garage was secured by a piece of wire and had no padlocks.

When Det. Davis questioned the defendant he said the explosives came from the Standard Quarries, Epping, where he had worked as a contractor five years previously, and that he had paid the standard price for them. When asked why he brought them home the defendant replied that it happened on a Friday, the explosives had not been used during the day and on returning to the quarry the magazine was locked and he did not have a key to open it, hence he brought them home.

An inspector from the Department of Explosives, Mr. Gustave, gave evidence of carrying out tests on the explosives. He fired an electric detonator and said the gelignite among the explosives was in a deteriorated state. He destroyed the gelignite the same day as he was asked to test it because in a deteriorated state, gelignite is an unknown quantity.

When asked if he had anything to say the defendant said he put the explosives in the shed and forgot about it. He did not want to destroy it but did not know where to dump it, as somebody may have picked it up and killed themselves.

The defendant said he was fully aware of the dangers of the explosive as he had worked with them prior to the war and during the war was a saboteur.

After finding Lukoszek guilty the magistrate ordered that the explosives be forfeited, fined the defendant 17/6 and ordered him to pay £5/5/- costs.

M.M.B.W. PLANS ON "THE DRAIN"

"We observed the flooding of parts of Altona and Seaholme on January 29, and later inspected the resultant damage," said the Sewerage Committee of the Melbourne and Metropolitan Board of Works in a letter to the Shire Council.

The Board recently formulated and approved a comprehensive scheme of drainage for the areas affected, but, before this scheme can be constructed the Board must finalise extremely complex negotiations with many of the parties affected by the scheme.

The Board thanked the council and its officers for the co-operation and help so far tendered by them towards putting the scheme into effect. They noted that the transfer of council land required by the Railway department is well in hand.

However, other matters still require attention. Steps should be taken to transfer to the Board the land required for the proposed outlet channel between Altona Road and the beach frontage and council should now proceed with the design and construction of the proposed bridge in Altona Road to span the proposed outlet channel.

They suggested further consideration should be given to the construction of levee banks north of Civic Parade.

The Board assured the Council that every endeavour is being made to finalise outstanding negotiations with a view to the early commencement of the requisite drainage works.

Commenting on the Board of Works letter Cr. den Dulk said when they make a move we will definitely start. The money for the bridge has been set aside in the estimates. If we start now they may move that channel 10 feet or so.

Cr. H. W. Lee stated there seemed, at this stage, to be some confusion as to where and when the drain will go.

Cr. V. Hearn asked the Shire Engineer for his comments.

Mr. Simmons, Shire Engineer, said the Board of Works have a definite plan for the proposed drain and the Board has specifically requested a certain area of Cresser Reserve. Mr. Simmons said the Railway Department will be the deciding factor in

when the drain will be started as they have to raise the railway line and build a bridge.

But council decided not to do anything about the bridge as yet.

Later at the same council meeting during a discussion on damage suffered by residents during the "flash flood," Cr. Lee said no stone should be left unturned in getting the Board of Works to start the proposed drain. He suggested another letter be sent to the Board reminding them of the urgency of this work and that Altona does not want to be caught again.

In seconding this motion Cr. S. G. McIntosh wholeheartedly agreed with Cr. Lee and said the quicker they get on with it the better. Council agreed to this suggestion.

EDITORIAL

RAILWAY EXTENSIONS

AN APPEAL

Altona Council has given much thought and action to the improvement of passenger transport. We feel it has done all in its power to have increased beyond its present limits the local bus service. At present a stage of impasse seems apparent.

A different situation occurs in regard to the possibility of railway extensions. Due to council representations at the latter end of 1962, the Parliamentary Public Works Committee began hearing evidence on the necessary improvements and extensions of the Altona line. The immediate extensions proposed were to a new station site in Harrington Street, near Maidstone Street.

Our council, through Crs. Lee and Hearn, presented a strong case before the Committee.

Several organisations and but one individual gave evidence in support. This was in spite of repeated appeals by the council.

It now appears that on the evidence given, including that given from the Railway Department, the Board of Works, and the Transport Regulation Board, plus a visual on-site inspection, there is a probability of a favourable view being taken of the proposal. However, the Committee must inevitably ask for a satisfactory answer to the question, "Will future patronage of the line justify these wants?"

A further appeal has now been made by the council for citizens of Altona to offer to give evidence or to write letters (witnessed by a Justice of the Peace) stating their intention to use the proposed service. In either case contact should be made with council officers.

We support this appeal. While the council and other bodies have supplied all essential supporting data, their case is not complete without the fully indicated support of its ratepayers and their families.

METHODIST FLOWER SHOW

"I am very pleased to attend this show again," said the Hon. R. H. Garrett, M.L.C., who officially opened the Methodist Flower Show last Saturday.

He said these shows are peculiar to Australia because of our wide open spaces and separate allotments for housing which allows us to develop gardens. Most people overseas do not have the room for gardens, there, gardening is mainly in tubs and window boxes.

Mr. Garrett hopes to attend the show again next year and to be among the exhibitors.

Before he presented trophies to the successful exhibitors, Cr. A. W. Bond, Shire President, said, "It augurs well for Altona to have people willing to participate in this show and it makes me very proud to belong to this shire."

One person Cr. Bond wished to congratulate was Mr. R. J. Collins, who has put many hours during the past nine years into judging exhibits and Cr. Bond hopes he will continue to judge the entries.

It was very pleasing to see the patience and effort put into the young folks exhibits and he hopes these youngsters will carry this patience into their adult life.

Cr. Bond congratulated and thanked the people for the time and effort they put into their entries, and advised the losers to try again and keep striving for better things.

Deaconess L. Davey said, being new to this district, she had not had much part in the organisation of this show and its success was due to the hard work of the secretary, Mr. E. Bertram. She thanked the exhibitors, donors of the trophies and the judges for their thankless task which took some hours.

The main prize winners were—

Highest aggregate cut flowers—Mr. Trotter.

Highest aggregate Cookery—Mrs. Bonnett.

Blue Ribbon Best Dahlia—Mr. Trotter.

Blue Ribbon Best Collection of Vegetables—Mr. Powrie.

A full list of prize winners will be published next week.

R. EDWARDS WINS VICT. BEACH SPRINT C'SHIP

Last Sunday the senior girls team competed in the Victoria Championships at Carrum. Although the team did not gain a place they put up a good fight and were a credit to the club and Altona in general.

In the Men's Section Bob Edwards won the Victorian Beach Sprint Championship.

Last Saturday exams were held at the club and one bronze medallion and one bronze medallion bar were granted.

This Sunday the Altona club will compete in the Melbourne Suburban Beaches Association Championships to be held at the Sandridge Club at Port Melbourne.

The following Sunday, (Mar. 17), the club will hold their own championships in front of the clubhouse. Both days promise to be good so go along and see your local club in action.

At the meeting last Tuesday night it was moved that a vote of thanks be extended to Bill Davis for the stirring argument he put up on behalf of the club for the better transport in this shire.

The man considered to be the world's best tenpin bowler, American Don Carter, will act as Honorary Chairman of Australia's 1963 National All-Star Singles Championship.

James Kearns, executive of the World's Invitational Tournament, bowling's classic event, held annually in Chicago, will be advisor for the Australian Championship.

Announcement of the appointments was made this week by J. R. Farina, Chairman of the Brunswick £10,000 National All-Star Singles Championship.

In making the announcement, Mr. Farina said, "The participation of Carter and Kearns on our tournament committee seals the fact that

ters of format and rules."

NEW FORMAT

The Brunswick £10,000 Singles Championship, instituted last year with elimination rounds in 16 bowling centres, this year has a new format and broader base.

There will be saturation participation by Brunswick and A.M.F. equipped centres throughout Australia.

Local tournaments will be held in each centre, with the champions, both men and women, becoming contestants in the National Tournament. Centre level tournaments will be conducted within a framework of minimum standards laid by the "Ten Thousand" Tournament Committee.

The new format has won enthusiastic support from all

ALTONA Y.C.W. BEGINS THIRD YEAR

On Monday, March 4, the Altona Young Christian Workers' movement entered its third year. The local branch, which was established in 1961, aims at the spiritual, social, intellectual and physical development of the boys (14-25) from St. Mary's parish.

At this week's meeting, in the presence of 30 members, the new committee was elected. Those chosen for the various positions were—

Secretary: Mr. John Green; Assistant Secretary: Mr. Lionel Hearn; Treasurer: Mr. Peter Davies; Warden: Mr. John Pedder; and Football Delegate: Mr. Andrew Camilleri.

The President, who is appointed by the Chaplain, is Mr. Barry O'Shannessey, who occupies the position for a third term.

Apart from the Chaplain's talk and elections, the rest of the meeting was taken up with preparations for the foot ball season. Once again the Y.C.W. will field two teams—under 15 on Saturday mornings, and under 17 on Sunday afternoons, and it also hopes to field its first soccer team, which will play on Sunday afternoons.

The meeting was addressed by the coach, Mr. Keith Higgins, who will conduct a gymnasium class after each Monday night meeting in preparation for the football season.

Further information about the Y.C.W. and its activities may be had from Mr. Barry O'Shannessey, 20 Bayview St. or Father Dowling, St. Mary's Presbytery, Railway Street Altona.

FOUNDATION STONE LAID AT ST. EANS-WYTHE'S VICARAGE

Last Sunday nearly 200 people attended the special service of Thanksgiving at St. Eanswythe's and witnessed the laying of the foundation stone of the new vicarage.

The attendance was considerably larger than had been expected, and many of those who came were unable to squeeze into the Church. However, thanks to the glorious weather, those who couldn't fit in were able to stay outside in comfort, and take some part in the Service through the open doors.

The Ven. R. W. Dann, Archdeacon of Essendon, was the guest preacher for the occasion. At the conclusion of the Service the congregation proceeded to what will be the front entrance of the Vicarage, and the Archdeacon laid the foundation stone.

Morning tea was then served in the parish hall. Mr. Roger Brading, one of the Churchwardens, spoke briefly welcoming the visitors, and outlining the present position of the parish and plans for future developments. The Shire President, Cr. A. W. Bond, added a few words of congratulations, and expressed the council's support for the growing work of the churches in Altona.

TUPPERWARE AFTERNOON

The Altona Primary School Mothers' Club are holding a tupperware afternoon on Thursday, March 14, at 1.30 p.m., at the home of Mrs. Franks, 4 Romawi Street, Altona. Anyone interested is very welcome to attend. There will be no entrance fee.

Popular Local Girl Marries

Mr. Geoffrey Herbert and his bride, formerly Miss Dorothy Ann Grubb, are spending their honeymoon at the Gold Coast after their marriage last Saturday at the Altona Presbyterian Church.

The bride is the younger daughter of Mr. and Mrs. W. A. Grubb, of Rose Street, Altona. The bridegroom is the only son of Mr. and Mrs. A. J. Herbert, of Sussex Street, Seaholme.

With her pure white sleeveless gown of Swiss Silk Shantung, the bride wore a detachable square train and a hand-made guipure lace jacket. Her elbow-length veil was held in place by an organdie rose and petal headpiece. She carried a bouquet of gardenias and Lily of the Valley.

The bride was attended by Miss Christine Taylor, cousin of the bride, and Miss Valerie Herbert, sister of the bridegroom. The flowergirls were Wendy Grubb and Tracey Morgan, nieces of the bride. The bridesmaids and flowergirls wore alternate frocks of

pale mauve and aqua Swiss cotton over matching taffeta and carried bouquets of matching roses and lily of the valley. The bride's mother wore a frock of floral tetron with a green light wool coat with matching pale green hat. The bridegroom's mother wore a silk floral ensemble with pale blue matching hat. The groomsmen were Mr. Terence Musgrave and Mr. Bill Grubb, brother of the bride. After the ceremony about 50 guests were entertained at the Central Hotel, Altona.

NORM TRICKEY ENDS SEASON WITH CENTURY

Altona, resuming at three wickets for 105 runs, declared at eight wickets for 193 runs in just over an hour's batting on the second day. Norm Trickey, who was 33 not out at stumps on the first day, batted brilliantly to take his score on to 100 not out, to give him the highest score in the club this season.

His score included nine 4's. Tom Durbridge was the best of the Footballer's bowlers with three wickets for 52 runs.

Needing 122 to avoid an innings defeat, Footballers made 141 and left Altona no time to make the runs and gain an outright win.

Chief scorers were Michael McMillan with a hard hitting 43, John Duddy with 30, and Norm Poole 26. Terry Gray was the main wicket taker with three victims and Stuart Magee and Pat Gurrie took two each.

ALTONA HOCKEY CLUB NEWS

Training commenced at Grant Reserve on February 26 and will continue each Tuesday and Thursday night until the end of the season. Any persons wishing to play are invited to attend.

The seniors started the year last Sunday by playing in the Moomba Carnival, held at Royal Park, Altona, who defeated Essendon 2-1, and drew with Greensborough 1 each, are now equal second, and with two games next Sunday, look certain to be playing in the finals.

JUNIORS

Any young lads interested in hockey are invited to train on Thursday night and Saturday morning at 9.30 at Grant Reserve.

Two teams, one under 13 and the other under 15, have been entered in the competition starting on April 6.

Players are urgently needed for these teams.

Pre-season games have been arranged against Geelong and Elsternwick.

An end of the season trip interstate, is being planned.

YACHTING NEWS

Last Saturday was about the hardest day's sailing this season and provided some thrilling spinaker runs.

MISCELLANEOUS

Kathy Bradley in Tiki set too stiff a pace for the rest of the field and came home a comfortable winner. Second place went to Telstard, skippered by Ray Marion.

The latest boat to be launched is Bill John's Heron Class yacht.

Bill will race in the Miscellaneous class starting this week. Another new boat launched two weeks ago by Alan Tyrell should also commence competitive sailing this week or next in the Hornet Class. This will bring the Hornet fleet up to eight boats.

HORNETS

Heavy conditions forced two of the seven starters to retire. As usual, it was a close race with very fast spinaker runs.

PLACES ACROSS THE LINE

1: Jet (Tom Jones and Peter Brennan); 2: Athene (John Bartlett and Harry Jol); 3: Genesta (Sandra Korf and John Address).

PLACES ON CORRECTED TIME

1: Jet; 2: Athene; 3: Genesta.

ALTONA DART LEAGUE NOTES

The opening games for the new League commence this Friday, and as all teams at this juncture are of an unknown quality, it would be impossible to forecast any winners.

Unfortunately there are only nine teams in the League thus creating a bye, and if any organisation is interested in entering a team, please contact the secretary, R. Rose, 4 Linden Street, Laverton, or phone 68-0214 after 6.30 p.m. or at business 65-8221.

A delegate meeting will be held tonight (March 7) at the Bristol Hotel Games Room, at 7.45 p.m. sharp. Allocation of trophies will be the main item on the agenda.

This week's matches are Bristol Hotel v. Goodrich Yacht Club Hotel v. Alt. Dart A.W.M.C. (1) v. Cheetham S.C. A.W.M.C. (2) v. Union Carbid.

Altona Council—Bye.

The full fixtures for the season will be printed in the "Star" next issue.

ALTONA TENNIS CLUB NEWS

Congratulations are extended to the junior girls, Eleanor Blunt and Susan Rose, for reaching the final of the under 16 Footscray girls. They were narrowly defeated by games. Better luck next year.

Congratulations also to Mr. R. Graham, Mrs. M. Harrington and Mrs. B. Johnston for their section in the team to play at Kooyong next weekend in the Metropolitan Grade matches. They are to represent Williamstown and district.

YOUTH CLUB NEWS

The club would be grateful to any person who would undertake the instructing of the junior marching team. Mr. Brown or Mr. Harvey, who are instructing the senior and midjet teams, would be glad to give any assistance required to any potential instructor. For further information contact either Mr. Brown or Mr. Harvey, or the club secretary, Mr. V. Simmons, at the Youth Centre.

Parents of children between the ages of seven and 14 years are again reminded that the club functions on Saturdays from 9 a.m. to 12.30 p.m., and on Monday nights from 6.30 p.m. to 8 p.m. Enrol at the Youth Centre any time during these hours. First class instruction in gymnastics is available, also games and sports.

League Worried Over Financial Position

Finance was the hub around which almost every motion revolved at the Annual Meeting of the Werribee Football League held at the pavilion, Chirnside Park, Werribee, last Friday night.

For the positions of Senior Vice-President and Junior Vice-President, the retiring Vice-Presidents, Mr. D. Cowan and Mr. H. Hughes were nominated, together with Mr. W. Ward (Altona) and Mr. M. Riedy (I.N.F.). Following a keenly contested ballot, Mr. Don Cowan was re-elected Senior Vice-President and Mr. Bill Ward was elected Junior Vice-President.

All other members of the League Executive were re-elected unopposed. They are—Mr. Jas. Dorgan, President; Mr. A. F. Mason, Honorary Secretary; Mr. J. L. Calanan, Treasurer; and Mr. H. James, Assistant Secretary.

It was decided to commence the senior season on Saturday April 27, and the junior season on Sunday, April 28. The seniors will play 19 home and some games and the juniors 17. The senior grand final will be played on October 5, one week later than the V.F.L. and the junior grand final will be played on Sunday, September 22.

Following a recommendation from the last delegates' meeting of last season, it was again decided to engage the V.F.L. Reserve Grade "A" Class Umpires for the senior competition. For the junior competition the "B" Class Umpires will be engaged instead of the "C" Class which were used last season.

The cost of staging the Inter-League match against the V.F.L. Reserves on

Queen's Birthday was discussed and it was decided that this event had to be regrettably discontinued owing to the lack of public support and the heavy expense incurred in entertaining the visitors, who appear to have lost interest in the venture.

To help boost the finances of the League, the affiliation and registration fees paid by each competing club were increased from £3/3/- to £5/5/-.

The former had not been varied since the League re-formed in 1944. Before closing the meeting, the president, Mr. Dorgan, thanked the delegates present for the interest they had shown in the progress of the League and conveyed the wish that each club would have a successful season.

ALTONA FOOTBALL CLUB ANNUAL MEETING

The 1962 season proved to be very successful financially. It commenced with some misgivings as there were substantial accounts from the previous season unpaid.

However, it was decided to form a separate social committee to conduct fund-raising activities. This committee, a great number of which were the ladies associated with the club, worked hard throughout the season and it is due to their efforts that the club was able to end the year in such a good financial position.

It is fitting that the thanks of the members be expressed in this report, both to the committee as such, and especially to the ladies who worked so consistently.

A building fund was commenced last season, so that some of the funds raised may be put aside for new rooms. This was thought necessary because of re-planning of the sports areas proposed by the Altona Shire Council. Both the senior and junior organisations contribute towards the fund; last season the following amounts were deposited—Senior Club £ 75 0 0 Junior Club 100 0 0

Total in Fund £175 0 0

The senior team fielded by Altona started the season well by winning the first six games; however, enthusiasm faded a little and the team were defeated in the first semi-final by Newport. The team should, however, feel justly proud of their effort in winning the "W. A. Vincent" discipline cup.

Special thanks are due to coach Noel Rohleder for his job through the season, and also congratulations for winning the trophy for the Best and Fairest played in the League.

The treasurer reported that receipts for season 1962 were £895/4/9, and after expendi-

ALTONA HIGH SCHOOL REPORT

Mr. W. J. Storey, headmaster of the Altona High School, considered parents present at this meeting were ambassadors on behalf of the school. Only parents who were interested in the school would be present at this annual meeting of the Parents' and Citizens' Association.

These parents would go into the community and interest others in school activities and so bring more parents along to the school.

This gives a bigger tie between homes and school which is becoming more and more vital.

Mr. Storey said education is a difficult task and although we have a fine building and complete staff (in numbers) many schools were in a worse plight.

"The Education Department is not an ogre, cheeseparing and cutting you down in staff, equipment and buildings—they have to work within the limits of their resources and it is these limits we come up against," he said.

Mr. Storey reported that of 495 students, 51 were in Form V, which is quite a size for a school of this nature. He pointed out to parents how important it was for Form V students to have a suitable place in the home to study—there must be good lighting, reasonable warmth in winter, and peace and quiet from 7 to 9 or 10 p.m., from Monday to Thursday night at the least.

One of the biggest myths is parents who think students should be taught all in school and be given no homework. Only occasionally do pupils have too much homework. A teacher will

not upset homework as he has to correct it. If 50 pupils are asked to write a three to four page essay this takes a lot of time outside school hours for correction.

In the higher forms the students get fewer and fewer. If Form I. pupils only 10% will reach matriculation level, the others dropping out along the way. To be able to reach matriculation level a Form I. student needs at least an 80% pass in a valid examination.

Parents are cruel in demanding students to stay at school after reaching their intellectual limitation. They do not expect a young child to carry too heavy a load of bricks, but when a child reaches his limit at school they try to force him to go on. Some children are working to capacity and reach their limitations early, others are falling out along the way up.

The school wants students to stay until their limitation is reached.

Another point he stressed was that teachers should not neglect the top third of a form for the bottom third, as this would be neglecting our future scientists, &c.

In conclusion, Mr. Storey said sport is very necessary, but it can be overdone as it is in some secondary schools. Excursions are important as they teach more than classroom instruction and the school will try to give the students as many possible, but will be conscious of the inroads these will make on the academic year.

During the meeting, Mr. J. Farthing asked would parents consider helping in the supervision of Study groups at the school in the evenings.

Several parents spoke on this subject but it was after a school student present at the meeting stood up and gave her reasons for wanting Study Groups that parents overwhelmingly accepted the idea.

Lucy Morgan, Form V. student, clearly pointed out to the parents that in the school library and history room were reference books which were not available in the students

homes. Lucy said these books were an invaluable aid to study and project work, and she sincerely hoped the parents would make it possible to have these groups.

It was then decided to leave arrangements for evening study periods to Mr. Storey, the parents will give him every support.

The following members were elected to the committee for the ensuing year—

President: Mr. E. Bertram; Vice-President: Mr. B. Loft; Secretary: Mrs. G. Winfield; Treasurer: Mrs. D. Shields; Committee—Mrs. J. Cheasley; Messrs. W. Smith, D. Woodcock, W. L. Robertson, W. T. Griffiths, D. J. Greenfield, J. Fairway, T. D. Colling, N. R. Scott, C. Woodworth, J. Farthing, and R. de Neef.

The first meeting of this committee will be at the school on Friday, March 15, at 7.30 p.m.

At this meeting the date for the April meeting will be decided, but from May onwards it will be on the second Friday of each month.

Venetian Gondola in W'town Float Parade

FINAL APPEARANCE IN AUSTRALIA

Arrangements have now been finalised with the Italian Consul General for the Williamstown Lions Club to use the Venetian Gondola, which was brought to Melbourne for the 1963 Moomba Festival, in the Parade of Floats on Sunday. This will be the final appearance of the Gondola in Australia, as after the Parade of Floats the craft will be crated, ready for transport back to Venice.

During the Parade the Gondola will appear specially decorated on a semi-trailer, complete with six passengers dressed in Italian National Costumes, whilst musicians will strum lilting Italian melodies.

The organisers are to be complimented on their foresight in making application for such a wonderful attraction for the Parade.

Many colourful floats will appear on Sunday including those from the State Electricity Commission, Department of Agriculture, Banking Industry, H.M.A. Ships Association, and many others. This year the Parade will be led by the Scottish ex-Ser-vice Association Pipe Band.

PERSONALITIES TO APPEAR

Miss Henley, 1963, together with the City and Country Princesses from the Moomba Festival will appear on the Float sponsored by the Banking Industry, and it is hoped by the organisers that it will be possible to have the Moomba Queen in attendance on the same float. Much depends on her appearance on other functions that she has to attend in her capacity as the Moomba Queen. No effort will be spared to have her appear at Williamstown.

CHANGE OF ROUTE

The public are advised that owing to the great width of some of the floats that will appear it has been found necessary to change sections of the route. The new route will be as follows—

Parade will commence from the corner of Ferguson Street and Melbourne Road, travel down Ferguson Street to Nelson Place, then along Cole Street to Tywford Street, then into Morris Street for dispersal. Floats may be inspected by the public in Morris Street prior to dispersal.

GROUND ENTERTAINMENT

From 3 p.m. onwards at Williamstown Football Ground an afternoon of entertainment has been arranged and will include items from the Yarraville Branch of Model Aircraft Flying, Obedience Dog Trials, and a wonderful demonstration of Motor Cycle Riding by the Victorian Police Motor Cycle Squad. In all the public on next Sunday will be entertained by a wonderful afternoon from 2.15 until 4.30 p.m.

be spent on it and he recommended that permission be refused.

The applicant had undertaken to bring this home to a like-new condition, however, Mr. McLeod, assistant building inspector, reported a lot of money would have to

We have some frightful looking houses in the district and these renovations do not seem to come up to expectations, said Cr. V. Hearn. The council unanimously refused permission.

TRANSPORT INQUIRY EVIDENCE

The Transport Board was invited to give evidence to the Parliamentary Public Works Committee, and their evidence related mainly to the private bus routes in the Altona area operated by Mr. J. H. Joiner. The following points of interest were contained in this evidence—

An examination of the timetables of Altona Bus Lines will reveal that, on both of the two routes, a comprehensive service is not operated, and whilst it can be said that the public always seek more service than is provided, the present frequency on the Footscray route seems to cater for all reasonable demands arising. There is a possibility that, as time goes on, additional service will be provided on this particular route.

In regard to the Williams-town route, however, careful examination by the Board has revealed that it is not possible to provide any more service than is at present provided and in November 1962, when the operator lost a subsidy, which he had previously received from the Petroleum Refineries Australia Pty. Ltd., for the carriage of workmen to and from their plant, the Board authorised the discontinuance of all service after 7.30 p.m. and one afternoon trip at 2.35 p.m. from Altona.

The operator has indicated in recent discussions that he may yet be forced to apply for a further reduction of service on this route because there has been a tendency for the number of passengers carried to decrease and for the revenue to decline.

The Board has always envisaged that this situation may occur. The route itself passes through an area where there is quite an amount of swamp and industrial development and a rifle range.

There does not seem to be any real potential for development of additional traffic along this route and, in the main, such development as has occurred along the route has been the establishment of additional industrial plants which has increased the requirements for vehicles but has not increased any traffic during off-peak periods. The school traffic is also a problem.

The Board's experience is that, when industrial plants are located in new areas (guided along the lines envisaged in the Melbourne and Metropolitan Board of Works Master Plan) in the majority of cases the bulk of the traffic travels in private motor vehicles, and very little traffic is left for carriage by the bus operator.

Additional traffic during peak periods only increases the operator's problems, and this is particular true in this instance as there is very little possibility of improving off-peak traffic.

The Board has not found an answer to the question of providing comprehensive passenger transport facilities by means of private bus services in certain outer-metropolitan areas where housing and industrial development has occurred; nor, so far as it can ascertain, has the answer been found in other States or countries.

It is pretty clear to observers that the problem largely springs from the increased use of private motor vehicles, which reduces traffic in off-peak periods. The added impact of television has, in many a level that service at nights can no longer be provided.

In regard to the operation of the Footscray route, traffic has improved and frequencies have been increased. The fact that this has occurred has assisted in the retention of the Williamstown route at existing standards. The present position in regard to development on the Footscray route is that housing is increasing in the area from Douglas Parade to Geelong Road.

It is the Board's view, the main reason for the build-up of traffic on this route is that Footscray offers a number of attractions and shopping facilities superior to those which are provided in North Williamstown.

Another factor which would need to be taken into account in regard to the general planning of transport facilities in the area is the question of construction of a tunnel under the Yarra at Spotswood. This would mean that the Altona and Williamstown areas would then be in much more direct contact with the city area. It would seem that in the circumstances an application would probably be made to operate a bus service from the Altona or Williamstown areas via the tunnel to the city. It is not known whether such a service would be provided by public or private enterprise but it is probable that the Melbourne and Metropolitan Tramways Board which now operate a service along Williamstown Road as far as the Princess of Tasmania terminal would be interested in an extension of service.

Whether the M.M.T.B. have any precise plans in regard to the operation of service to and from the Altona area is not known to the Board. If such an application were made, objections would probably be lodged by the Victorian Railway Commissioners and the private bus operator concerned. Depending upon the nature of the application, there could be a question of compensation arising under the provision of the Transport Regulations Act.

As previously stated, the Transport Regulation Board has been unable to find a solution to the problem of providing comprehensive passenger transport services in certain outer developing areas. There seems to be no doubt that, if the M.M.T.B. were prepared to provide comprehensive services in these areas, this would be welcomed by the public concerned but, from everything which the Board can see at the moment, this could only be provided by the M.M.T.B. at considerable loss.

SUCCESSFUL PEDAL CLUB RALLY

Four hundred riders from 16 Pedal Clubs participated in the first Pedal Club Rally for 1963 held at Grant Reserve, Altona, last Saturday.

Mr. Ryan, president of the Altona Pedal Club, welcomed all visitors, including Cr. A. W. Bond, Shire President, and Mrs. Bond, Cr. Cresser, Cr. Hearn, and Cr. and Mrs. Lee.

Cr. Bond congratulated the Altona Club on their organisation of the rally and said he was proud and very happy to see such healthy, contented, and well-behaved youngsters.

He was pleased to see the first rally for 1963 conducted in the Shire of Altona and thanked the visiting teams for attending, especially those who travelled long distances, as did Geelong and Healsville.

"The council is right behind you and is only too pleased to help any youth organisation in the shire—they are our future citizens," said Cr. Bond.

The girl captain of the Altona Pedal Club presented a bouquet of flowers to Mrs. Bond, who smilingly expressed her thanks to the club.

Cr. Bond presented the following trophies—

Rules of the Road: 1st: Williamstown; 8rd: Norlane; 3rd: Geelong West.

Best Turned Out Club: 1st: Coburg; 2nd: Norlane; 3rd: Geelong West.

Premiership Club of the Day, A Grade: Frankston.

B Grade: Macleod.

Among the individual winners were two Altona Riders—

Under 7 Girls' Individual: M. Irvine.

Under 8 Boys' Individual: S. Hayes.

Mr. Ryan thanked all Club helpers for making the rally such a success and thanked the councillors for their great assistance and co-operation.

For the first time the club asked local business people to donate trophies and Mr. Ryan thanked them for their excellent response.

A special mention must go to the Altona A.N.A. Cricket Club who had permission to use the sports ground on this day but forwent their country match to enable the Altona Pedal Club to conduct the rally. As this is the only suitable ground in the shire for a Pedal Club Rally, it could not have been held without the co-operation of the cricket club.

The effort for the Bride Doll was won by ticket G69, held by Mrs. G. Fyfe, Mulga Street, Altona.

LOCAL LABOR

Free Education

Once again the ratepayers of the Shire of Altona have benefited by their foresight in electing an all-Labor Party Council. Last week saw the implementation of one more of the policy's of the Australian Labor Party. I refer to the freeing of parents of the burden of the costs of sending their children to kindergarten.

This, as well as being an achievement for Altona, is a position not shared anywhere else in Victoria. It is also an example well worthy of emulation by the Government. But, unfortunately, it cannot be achieved whilst we are under the Bolte Government, only full Government on a State level by the Australian Labour Party will achieve this.

Our sworn policy is completely free education from the kindergarten to the university. How can we expect the Bolte Government to institute completely free education, when they continually refuse to adequately staff those schools already existing? How many times do we hear of schools, both High and Technical, being staffed by unqualified teachers? Surely we must expect our children to be taught by qualified staff.

provide in increase in teachers of the magnitude needed if we are to hold our own in this rapidly developing and increasingly technical world.

Public Relations Officer,
A. J. ROBINSON,
Altona Branch, A.L.P.

FAULT LIES WITH THE BOLTE GOVERNMENT

This situation is not the fault of the teachers, but lies squarely on the Bolte Government.

We believe it is the complete responsibility of the Government to ensure a full supply of trained and efficient teachers for all levels of education.

We believe those unqualified teachers are bearing the brunt of the lack of foresight of the Bolte Government whose policies are as inept as the men responsible for allowing this situation to develop. We believe that without prompt action, the situation can only worsen.

One answer to part of the problem is the retraining of those unqualified teachers to a higher standard, with an incentive for them to take any training necessary, another, and I think the most important, would be to give greater incentive to our young people to become teachers, this could only be accomplished by a large increase in the salary's of teachers. Equal pay and opportunity for women, both married and single, would give added incentive to women to become teachers.

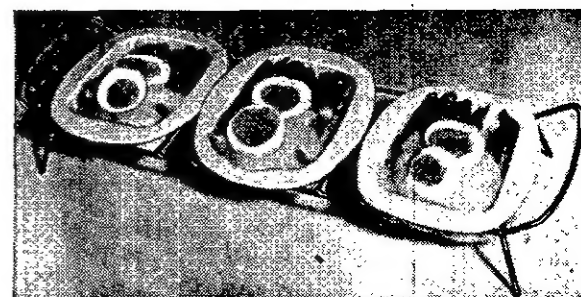

This, and only this, would

P.R.A. TO USE RAILWAY LAND

Council expressed their approval to the M.M.B.W. of an application by Petroleum Refineries Australia Pty. Ltd. to use land owned by the Railway Department for future development.

The land, approximately 1½ acres, which is west of the Altona Railway line and south of Kororoit Creek Road has been leased from the Railway Commissioners.

The land is zoned general industrial in the council's planning scheme.

Supper Snacks

PREPARED BY MARY BLAKE, HOME ECONOMIST

Sunday night tea in most homes is a simple meal, and this week I have some suggestions for easily prepared snacks which are nutritious and extremely tasty. Curried eggs is a well tried old favourite, but this recipe is just a little different. If you are fond of a really hot curry, and you do not have children's tastes to worry about, add a little more curry powder than I have suggested.

The Onion 'N' Eggs casserole is rather an unusual recipe, and can be served for more informal parties. It also combines three flavours which are universal favourites.

The combination of asparagus and cheese in the last recipe is unusual and delicious. The cheese adds piquancy to the taste of the asparagus. Another possibility is the use of the cheese sauce poured directly on to toast, instead of grilling or frying the cheese.

As a slight variation when you are next preparing a meat loaf, try pouring the cheese sauce over the cooked loaf. You can be sure it will be well received, eaten either hot or cold.

CURRIED EGGS

- 3 tablespoons butter
- 3 tablespoons flour
- 1 teaspoon salt
- 1 tablespoon grated onion
- 1 teaspoon curry powder
- 1 cup undiluted evaporated milk
- ½ cup water
- 6 hard-cooked eggs, cut in quarters
- 6 pieces of toast (or 2 cups of hot cooked rice)

Melt butter in saucepan over low heat. Add flour, salt, grated onion and curry powder. Mix well. Slowly add evaporated milk-water mixture, stirring constantly until thickened. Add hard-cooked eggs. Place toast (or rice) on each serving plate. Spoon the milk-egg mixture over toast. Garnish with paprika. Serve four.

ONION 'N' EGG CASSEROLE

- 5 strips uncooked bacon
 - 1½ cups coarsely chopped onion
 - 1 teaspoon salt
 - ½ teaspoon pepper
 - 1 teaspoon sugar
 - 4 eggs
 - 1 2/3rd cups (14½ oz.) undiluted milk
 - 1 cup water
- Fry bacon slowly over low heat. When crisp, remove the bacon and add onion to the bacon-drippings. Cook until slightly brown. Remove from heat. Combine crumbled bacon, onion, seasonings, sugar, eggs and evaporated milk-water mixture. Mix well. Pour into buttered individual casseroles. Place in pan of hot water. Bake in moderate oven (350° F.) about 30 minutes. Serve at once with mushroom sauce. Serves five.

ASPARAGUS AND CHEESE SAUCE

- 1 can asparagus
 - ½ pint cheese sauce
 - 2 hard boiled eggs, sliced
 - Salt and pepper
- Heat asparagus in saucepan. Place on toast if desired. Pour over hot cheese sauce and garnish with sliced eggs.

CHEESE SAUCE

- 2/3rd cup undiluted evaporated milk
 - ½ cup grated processed cheese
 - Salt
 - Cayenne pepper
 - 1 dessertspoon lemon juice
- Heat evaporated milk in a small saucepan over low heat until small bubbles appear around edges of pan. Blend in the grated cheese, salt, cayenne and lemon juice. Heat again for about 1 minute stirring constantly.

Altona Nth. Tech. School News

A very good start has been made with the new school year. There are 628 boys in Forms I. to V., and 33 evening students. Fifteen "new" teachers are already making their presence felt in the school—giving good support to the 17 former staff members still at the Tech.

"New" staff members are—Messrs. Young (headmaster), Martin (music), Bishop and Cook (English and social studies), Laube, Olsen, Weston and McKinnon (maths and science), Rovis (art), Baird and Sutherland (woodwork), Pilgrim, Dunstan and Tuck (plumbing and sheetmetal), and Trevena (turning and fitting).

SCHOLARSHIPS

Congratulations to the winners—Colin Rattray, Colin Bandy (Sen. Tech.), Z. Jezierski, G. Horoschun, G. Szulinski, D. Coker, L. Harland, P. Civelie, D. Martin, T. Dyer, A. Montgomery, R. Birrer, A. Thomson, D. Moffett (Jun. Tech), and to Joe Harland and Ray Rodwell (teaching bursaries).

MOTHERS' CLUB

The first meeting for 1963 will be held on Thursday, March 21, at 1.45 p.m. A special bus will leave Newport Railway Station at 1.15 p.m. New members will be specially welcome. Their meeting is held on the third Thursday of each month.

CANTEEN

Once again an appeal is made to mothers (or friends) who can assist on one or more days per week or month in a voluntary capacity at the canteen. Helpers are insured while travelling to and from the school, and while on duty. The canteen has been staffed by a very capable and generous team of ladies who, under Mrs. Rice, have given the boys good meals at very reasonable cost. The canteen is regarded as a vitally important

means of keeping the boys off the road at lunch time. The profits which are very moderate are used for the provision of amenities, library and gymnasium equipment, which is badly needed.

PARENTS' CONTRIBUTORY FUND

Through the Parents' Contributory Fund last year, parents very generously contributed £414 thus enabling the shower room (the major objective) to become a reality. As soon as the senior boys have added a few final fittings the shower room will be opened for regular use—fully paid for—a very fine achievement.

Already most parents have proved their genuine interest in the school by supporting the main fund-raising effort—the P.F.C. If this fund is fully supported there will be no need to run fairs, fetes, carnivals, &c., where too often the bulk of work falls on the shoulders of a few. Hence we urge all parents to support the P.F.C.

The objectives for 1963 include improvements to the school grounds, surfacing the oval, provision of seating, cricket practice pitches, &c.

UNIFORM REQUIREMENTS. LOST PROPERTY

Teachers are amazed at the number of articles of clothing unclaimed and unlabeled, found at the school. Names can easily be written on tape and attached to clothing. Some boys are still indifferent to uniform requirements—college grey trousers (not pegged), grey shirt, grey socks, school jumper and the school tie. If a garment is worn over the jumper it should be the school blazer. Shoes should be black with no buckles.

SOCIAL SERVICE

The major objective for 1963 is the training of a guide-dog at a cost of £300. The school has in hand about £200 from last year. Boys are invited to share their pocket money in this worthy cause. Tuesday mornings at form assembly.
